

“TO JESUS THROUGH MARY”

*Lessons and Messages to the World from Jesus and the Blessed Virgin Mary
to Ruth Ann Wade of Bloomington, Indiana*

Compiled by Mary's Children, P. O. Box 27, Washington, IN 47501 - November 2016

Message of Dec. 14, 1993, from Our Lady

Ruth Ann: Mother, I seldom speak to You any more except for messages for the prayer groups.

Our Lady: Child, that is as it is to be. I have called you to My Son. That is what I am here for, to call all back to My Son. I am like the tiny bell that rings at the Consecration of the Mass. As your priest has said, "They were used to call the attention of the people back, whose minds had wandered away." I am doing just that, calling out to My children who have wandered away from the true purpose of life. Just as the most important part of the Mass is the Consecration of the Body and Blood of My Son, Jesus, so too, is preparing for the Second Coming of My Son the most important part of life. I am here to call all of you back who have wandered away. God loves you, My children, and I love you. Please renew your faith and trust in Him.

Ruth Ann: Thank You, Mother.

Our Lady: I wish to say more, child. I wish for My children to take seriously the messages that are being given. Time is running out. There is much work to be done. Many souls have a need for prayer. I am calling out and trying to get the attention of many through special graces and miracles granted through the gift of God's mercy. He has allowed Me to give these graces and blessings in order to draw others away from the world of darkness, and back to Him, Who is light, love, and peace. Thank Him daily for allowing Me to come to you and give you these graces. It is you, My children, who must pray and repent of your sins. It is you who must have a true conversion of the heart and place your trust and faith in God. Listen to and live My messages. They are the words of God. Pray, dear children, pray.

Message of Sept. 1, 1993, from Our Lady

Ruth Ann: Dear Mother, thank You for the messages for the prayer group.

Our Lady: Child, it is for all prayer groups.

Ruth Ann: Mother, there is so much evil and destruction going on.

Our Lady: Yes, child. This is a difficult time for My children. That is why Jesus has sent His Mother to the earth. I am being allowed by God to assist His children. I am here to call you out of the darkness, and back to light. The light of the world has grown dim. It is covered with the corrosion of sin. Man must take the blindness from his eyes. The more and more he seeks happiness through material things and self-gratification of all kinds, the further he pushes his way into the darkness. If man could only see that by shedding the need for the excess baggage he has placed upon himself, he could see that things are weighing him down. Things are pulling him away from the true meaning of life; which is love, peace, and light. Man does not need all these things to make him happy. These are all giving him a false sense of security. There is no security on this earth except the will of God. Be consumed with doing His will, and the peace will come, the security and light will come. God continues to call to all His children through many of His children. He is using many who will listen and share His words and miracles with others. He has allowed Me to come to the earth over and over to many: in apparitions, locutions, visions, and manifestations of many miracles. All of these things come from God. Thank Him for allowing Me to guide you in this time of darkness.

Ruth Ann: Mother, we have just been interrupted. I am sorry.

Our Lady: It is all right, child. Pray, and your peace will return to you. I will speak with you at another time.

54 Daily Messages
from Our Lady to the world

Ruth Ann: I was awakened around 2:00 a.m., July 3, 1990. Our Lady said She has a message to give to me. She told Me to give the message to my priest. He would know what to do with it. She said it was for the whole world. She said it was no concern of mine that other people were already getting messages for the world. These were being given to me and they would be far-reaching. She said She had chosen this day, July 3, to begin giving daily messages to me to make the "doubters of the world" more aware of My Son's messages, and that they are gravely important. July 3, St. Thomas' Feast Day:

August 13, 1990

Dear Children,

Praises be to Jesus! Remember, My children, that part of praying is giving thanks and praise. Just as you like to be given a pat on the back when you have done something nice for someone, so does your Heavenly Father wish to be stroked. He has done so much for you and He wishes to do more. You must always give thanks and praise to Him for all the great things He has done for all.

August 14, 1990

Dear Children,

My Son is a God of peace. He wishes peace for the entire world. Pray for this peace. Through prayer, wars can be avoided or even stopped. I have come to you for many years, and have asked for prayers and sacrifices. You must listen to Me. Please listen to My messages, My dear children.

August 15, 1990

Dear Children,

Remember when you pray to My Son, He is the center of the world...of the universe. Through His suffering, He has shed precious blood for you. This blood, His blood, has cleansed you of your sins. He paid a great price for your soul. It cost Him dearly. Let Him know He did not do this in vain. Let Him know how much you love Him for this. He is the core, the very center of your existence. All you have and are comes from Him. Without Him, you can do nothing. My dear children, love Him as a good Father deserves to be loved by his children.

August 16, 1990

Dear Children,

Praises to My Son! He alone deserves the honor and glory due His name. He is our Ruler and King. Remember, children, God has a plan. It is like a huge puzzle. Each of us is a small piece of this puzzle. As we do His will, all the pieces begin to fit together so we may finally see the big picture. We find why we were put on this earth. Listen to My Son so you can fulfill your part of this puzzle, God's plan.

August 17, 1990

Dear Children,

My Son is "perfect love". His life was spent teaching us what this love means. He was always willing to do the most menial task for others, quick to forgive any abuse and was kind to everyone...even those who hated Him. His love for all mankind led Him to the cross. What a beautiful, peaceful world this would be if everyone followed His example. My dear children, this is what He asks of us. Listen to My messages. In all situations ask yourself this question, "What would Jesus do?" And you will have the answer to all your questions.

August 18, 1990

Dear Children,

Blessed be the name of Jesus! His Holy Name is to be revered by all. The God-man came to this earth and brought with Him the brilliance of light from above. This light continues to shine, even though His human life was extinguished. Showing a respect for His Holy Name shows that we

believe in all that His Holy Name represents...life, death and resurrection. The light...His light brought to earth from above is in each one of us. Let your light shine. Bring others out of darkness. There are power and healing in His Holy Name.

August 19, 1990

Dear Children,

My Son loves each one of you very much. He is waiting to hear from you. Listen to My messages. Do you not understand them? Pray for graces that you will understand.

August 20, 1990

Dear Children,

When are you going to realize the real reason you were put on this earth?...To know, love and serve God and be happy with Him in Heaven. You cannot serve two gods. You have let money (and materialism) become the center of your lives. You have let "things" replace My Son. Things do not bring happiness. You should be hoarding graces by making sacrifices, not trying to accumulate more and more wealth. Money will not buy happiness or your salvation. Love of My Son and forgiveness will. Put My Son back as the center of your life, then He will supply all your needs.

August 21, 1990

Dear Children,

God is love. Only He has, and is, perfect love. Out of this love, He created mankind and put you here on this earth. He loves you so much He wishes to have you return to Him, to share all the beautiful gifts He has to give. Only a loving father would care enough to do this. He does not wish to lose even one of His precious souls. He has sent your Heavenly Mother to guide you back to Him. What love, compassion and patience He has shown! Love, My dear children, love is the key. With perfect love, there will be no more wars or strife. You will find peace that can only come through God's love. Do as He tells you.

August 22, 1990

Dear Children,

Know that My Son loves you very much. He wishes you to bring your burdens to Him so He can share them with you and make them lighter. You are not to worry. This is not why you are here. Turn your lives over to My Son and you will experience a happiness that you cannot imagine. Cares, worries and fears of today and tomorrow will disappear. Graces will be showered upon you to sustain you through all trials. Give all to your Divine Creator, and He will give you the rest. Do not doubt this, My children, God's mercy is great.

August 23, 1990

Dear Children,

God came to this earth to save mankind. He does not wish to lose any of you. He looks at even the very worst of you and sees your potential as a saved soul. He does not look at each of us as we look at each other. Are we not worthy of such love? God made us. We are worthy. Turn yourselves over to God and let Him clean up your soul. Souls that are spiritually dead and black with sin can become brilliant lights capable of outshining the brightest star. God can do all things. Pray, My dear children. God wants to save mankind, not destroy it. Show Him you are worthy of this act of mercy.

August 24, 1990

Dear Children,

My Son is a God of love. He wants only good things for His children here on this earth. Man is destroying himself through greed and selfishness. Our Lord wishes to help you. He cares so much for you. He has allowed His Mother to come and minister to you...to guide you away from self-destruction. Listen to My messages, dear children. So much pain and suffering can be avoided through prayer and sacrifice.

(She stopped and then added this.)

Oh, My dear child, what more can I say. No one seems to be listening.

(She sadly added the following.)

You are not exempt from the war and deprivation of other nations. You are only a step away from all these things yourself. You have quickly chosen the wrong path. The principles your nation was founded upon have been forgotten. God has watched from above in expectation of good...no...wonderful things coming from a nation founded on love for Him. This did not last long. "Things" quickly have become more important than love. Please, My children, come back to My Son. He can save you. Your immortal souls are at stake. Pray. Pray. Pray.

There will be no more messages.

August 25, 1990

The morning of the 25th...just to be sure at 4:30 a.m. I woke up on my own and asked Our Lady if she had a message for the world as before. This was her reply:

Oh My Dear Child,

You may tell them My Son and I love them very much, and that I have covered them with My protective mantle. They must pray.

August 26, 1990

I have no message.

Message of January 18, 1995, from Our Lord Jesus

Ruth Ann: Lord, do You have anything You wish to share?

Jesus: Little one, My children have so much to learn, and so little time in which to learn it. You cannot serve two gods. Man continues to be caught up in the things of the world, and soon he will realize that he has made a terrible mistake. He must turn to God, and lean upon Him for all the strength he seeks through power, and wealth. Material things are not permanent, little children. And because of the feeling that things are more important than God, many of you cannot find the peace you seek. 'Things' can be removed from you in the blink of an eye. Your good health too, can be removed. Then, little children, where is your faith?

Many are experiencing loss through all the disasters falling upon your world. Do those still have the faith to trust in God? Only if their faith is such that they realize that all things come from God, and all things can be removed by Him, if He so chooses. Can they be sustained? How much easier it would be for My children, if they could realize this, before these things are removed. My children, you must learn to remove yourself from all things that distract you from the true love, that must be given to God. He is your Creator and Lord, and Master of the universe. All things come through Him, and all love and respect are due Him.

Peace does not come from those things of this world. It does not come from money, power, or pleasures of the flesh. 'Seek ye first the kingdom of God and His love, and all things will fall into place.' Man must learn to prioritize his life. Place God first, and your needs will be tended to. Trust in God's love and mercy. The world is experiencing great upheaval, as the Hand of Justice continues to move from place to place. Man must open his eyes and heart to the way in which God is speaking to Him. He is wanting to get the attention of His children, so that they will seek out His love and mercy, but many still do not understand the signs.

Pray for those who still do not understand that God wishes for them to turn away from the world, and back to Him. Pray for true conversions for all His children, so that they too, can realize that the peace they seek can only come from God.

Ruth Ann: Yes, Lord.

Jesus: Now, go in My peace. You have much to do today. Do it with love and peace in your heart.
