"TO JESUS THROUGH MARY"

Lessons and Messages to the World from Jesus and the Blessed Virgin Mary to Ruth Ann Wade of Bloomington, Indiana

Compiled by Mary's Children, P. O. Box 27, Washington, IN 47501 - August 2022

Message of April 16, 1993, from Our Lord Jesus

Ruth Ann: Jesus.

Jesus: Yes, little one.

Ruth Ann: I am so tired, but yet I feel this need to communicate with You.

Jesus: Child, it is as you wish.

Ruth Ann: No Lord, I wish to do Your will. Do You wish to speak to me, or is it just because I am tired and in need of Your comfort?

Jesus: Either way, neither one of us loses, do we? (Smilingly)

Ruth Ann: You are right, Lord, so do You mind if I just listen and gain Your peace?

Jesus: I wish all My children to listen, child. You will be rested when we are finished talking, or if you prefer, just listen. You will gain much from what I have to say.

Ruth Ann: I always do, Lord.

Jesus: If all My children would listen as you do, and respond to what I have to say, they too, are being spoken to in so many ways, but are responding as not thev should. Much peace is to be gained by just listening. A blueprint for their lives is being set before each of My children through My Mother, visionaries, locutionists, priests, and others, willing to do My will, but My children choose not to follow this plan given to them to gain eternal salvation.

Mother of the Redeemer Farm

I know you are sad for so many, little one, but do not be sad. Pray for all those whose lives have not been touched by the beauty of God's love. Pray that they, too, will learn to take time out of their busy lives and schedules, and listen to My word.

Ruth Ann: Lord, people are so busy with everyday chores and jobs. It is as though they don't even realize You exist, let alone give You any credit for all the good that has been brought into their lives. They don't even realize, Lord, that You are there, even to see them through the pain and suffering in their life. How long can this world, without God, go on, Lord? Man has made such a mess of things, and he is so ignorant of that fact. He keeps wandering on like a small child in darkness.

Jesus: Child, you have been given wisdom. You see so much that others do not see. I also know you feel the pain and the weight of all the burdens of others. This is for a reason. My chosen ones must be aware of all the pain and suffering in the world so they will be even more willing to do all that is put before them. If you did not see a need, then you would not want to help, is that not so?

Ruth Ann: This is true, Lord.

Jesus: Well then, you must see the importance of all that is being brought to you for prayer by others. If it were not for all of My children willing to pray, there would be even more sadness, pain, and suffering in the world. I know you cannot imagine this, but it is true. God hears each and every prayer, even though your prayers may not be answered immediately, it does not mean He is not listening. It only means that things must fall into place so that prayers can be answered. Sometimes it means another's pravers must be answered first, in order for your prayers to be answered. Patience is of the utmost importance little one, in time of praver. In a world of instant gratification man is finding it very difficult to be patient with God. You have no choice vou really know. God has a plan for each of His children so patience is not a choice. Patience is something to be learned and sometimes it takes one many years to learn this virtue.

Ruth Ann: Lord, I'm not sure I will ever learn it.	Jesus: Yes, child. It is very important and little one, continue to love Me with	need only give them My blessing. I

much love for Him. It is all a vicious cycle. Everyone is too busy. How can this be? Put God first. He has created vou. You would have no life, family. job, time for recreation, if He had not put you here and given life to you. Take time to pray. Take time to listen and do the will of Him Who created you. This is something all of My children forget. God wishes to be recognized. He wishes to be loved and praised. He wishes to be asked instead of told.

Of course He knows your needs. You are all His children. He knows your hearts. He knows everything about you. He knows all that you are doing; the very good, as well as the bad. He loves each one of you dear children, and wishes this love to be returned. Why does man continue to make life so difficult? It is all so simple. Put God first and He will care for all your needs.

It does seem simple Ruth Ann: Mother, but You are right. We have made our lives so difficult by cramming so much into our days and evenings. Everyone has to be doing something all the time. Not many have learned that time has to be taken out of our busy schedules to listen and thank God for His many blessings. I'm My days are filled to guilty too. overflowing with many activities and responsibilities.

Our Lady: Most of My children are guilty of this, but remember, I have said there are many kinds of prayer. Even an occasional 'thank You, Lord,' when you feel something has happened that only He could have done, is a very special prayer. He does so much for each one of you, more than you could ever realize. He takes care of you so many times and you don't even realize it. When you do, please take the time to say, 'thank You.' God loves you so very much, present,

children. All I am asking of you is to touched. You speak to My children. I acknowledge His love. He deserves so much more than He is getting from His children. It breaks My heart as a Mother to see His children ignore and blatantly deny Him. He has done so much for His children, and they continue on their way as though He does not exist. He does exist. Many will learn too late that God does exist. That is why the time you are being granted to prepare for His coming is so important. Man must pray, fast, and do penance. Man must listen to My call and hear what I am telling him over and over. Those of you who are listening have a grave respon-sibility to share all you are being told, so that the minds and hearts of those who have not taken these messages seriously, begin to realize the importance of each message. It is called 'evangelizing,' dear children. In a world that is too busy, you come in contact with those just waiting for some sign that God is alive, that He does exist. Sometimes just a word or two from you, about what God has done for you, can change the life of someone who would otherwise not hear the word of God. Man must be continuously reminded of the importance of God in His life, and you can do this for one another by witnessing of His greatness, goodness, and mercy shown to you in your life. That is called 'witnessing.' That is called 'evangelizing.' You need not shout it from the rooftops, just a word here or there is all that is needed. The seeds are planted by you, then it is up to that individual to tend and water the seeds planted. They must see that they grow into healthy, fruitful plants.

See why your talks are so important, little one? Your sharing what God has done in your life has touched the minds and hearts of many. Sometimes the groups are small, sometimes the groups are large. It is not the number it is who is being

Ruth Ann: Thank You for the words of encouragement, Mother.

Our Lady: I realize that it is not easy for you. You are one who wishes to have your life private, but this is not possible. I will do all I can to help you with the difficult task put before you. Many blessings are in store for you. Go in God's peace. Know that vou are loved.
