
“TO JESUS THROUGH MARY”

*Lessons and Messages to the World from Jesus and the Blessed Virgin Mary
to Ruth Ann Wade of Bloomington, Indiana*

Compiled by Mary's Children, P. O. Box 27, Washington, IN 47501 - August 2021

*Message of August 23, 1994,
from Our Lord Jesus*

Ruth Ann: Lord, I feel You wish to speak to me.

Jesus: Little one, this is so. I wish to tell you not to become discouraged because you do not know where all this is leading. Your faith and trust is all that is of concern to Me. My Mother and I will tend to the rest.

Ruth Ann: Lord, it's just that so many have put so much of themselves into this work in time, talent, prayer, and money. No one really knows what is going on here.

Jesus: Child, prayer is going on, and I must say it is beautiful to behold. God's children are coming here to gain peace and to pray. What could be more important? They are listening and heeding the call of My Mother. Again, what can be more beautiful than that? As time goes on, the numbers will continue to grow. You are concerned about your future and the future of this farm. You have seen the fruits grow continuously, and you still do not grasp the importance of what is happening here.

Be not afraid, little one. God is watching over all things. Know He is pleased. Each person called here receives special graces and blessings. Because you can't see and don't know of these blessings, does not mean great things are not happening. Conversions are taking place. Healings, little one are happening here. Hearts are being touched. Because all of these things

Mother of the Redeemer Farm

are happening through peace, love, and quiet prayer, does not mean they do not exist. Yes, there are visible signs that this place has been blessed by God. There are little miracles and graces granted to many who come, to continue to encourage their prayer, and as special gifts for the prayer and works they have already done. But the signs and wonders are not as important as the prayers that are brought about as a result of their coming to this special place to pray.

Ruth Ann: What of those who cannot come?

Jesus: Little one, all of My children, who love Me and My Mother, are known to Me. I know their hearts.

Great graces abound to those who love God and seek to do His will, whatever that may be.

Ruth Ann: Thank You for the special grace that was given to me and to Jim yesterday.

Jesus: Little one, you were both in need. You had just been through a very busy week and weekend. You were drained physically and emotionally through tending to My children. I know what you need and when you need it. I will always be there when there is a need. I have told you, you are to receive little miracles daily, in order for you to carry on in your work.

Ruth Ann: I guess I have been too busy to notice Lord, I am sorry.

Jesus: When you notice, you thank Me. That is enough. You are doing much on behalf of Me and My Mother. We realize the sacrifices that you and your family have made as a result of all that has been asked of you, so do those who come here to pray. Most would not put themselves or their families through this without great monetary rewards. You ask for very little, child, and when you do, it is always for others. How could God not be attentive to each of the tiniest needs within your heart?

Ruth Ann: I am feeling so ashamed as You say this to me. You do so much for me and those around me most of the time. Without me even verbalizing it, my needs are tended to, Lord, before I even ask sometimes.

Jesus: I know your heart, little one, just as I know the hearts and minds of all My children. They too, have prayers answered that go unspoken. Many do not acknowledge, and think they are having good luck. As most of My children say, "That was truly a coincidence." There are no coincidences, and there is no good luck. These are blessings and miracles. My children are in need of a lesson in faith and trust in their God. They are in need of knowing they should thank Him Who created them, for these special gifts and blessings they experience in their daily lives.

Ruth Ann: I agree, Lord, for I too, take these things for granted. Thank You for reminding me of all You do.

Jesus: I am here for you and all My children, always. So is My Mother. Listen, and spread the love and blessings through the words and messages being given to you. This is evangelizing. This is what My disciples of old were called to do, and this is what you are called to do in these times.

Ruth Ann: Lord, I am listening. Give me the strength.

Jesus: It is yours, little one. Now go about your day in the love and peace of your Jesus.

*Message of July 7, 1994,
from Our Lord Jesus and Our Lady*

Ruth Ann: Lord, I made it through another talk. I truly felt You and Your Mother were with me all day. She gave me peace early in the morning and it stayed with me throughout the talk and prayer. It was a very powerful evening. The Holy Spirit was definitely at work. Thank You again, and also I would like to thank Your Mother.

Our Lady: Child, you have been frightened of what God has chosen for you to do, that it was extremely important for Me, as your Mother, to let you know I am truly here for you. You have spoken of being alone. Don't ever feel you are alone. I am your Mother and I will never leave you. Much is expected of you, child, and it will all be done for the greater honor and glory of God. Since it is for His honor and glory, We will be there to help you with all you do, and all you are called to do. We will not leave you orphaned.

You feel because you cannot see Me that I am not there. That is not so. This was not to be your gift, child. You have been given a very special gift. You have access to your Mother and Jesus, and yes, other Heavenlies when you so desire. You have had this explained to you. Each child is different. Each gift is different. Be at peace with your gift. In time, you will see My Son. What greater gift! Realize, this will be a mixed blessing. The more you receive, the more will be required of you, but also realize, child, We are here for you.

Ruth Ann: Thank You, Mother, and again, thank You for getting me off to the right foot yesterday, and helping me be at peace throughout the day.

Our Lady: You are welcome, child. I thank you for being obedient. Go about your day surrounded in the peace of your Jesus, knowing once again you have done the will of the Father in Heaven.

Ruth Ann: Lord, I really expected to talk with You, so speaking with Your Mother was a special surprise this morning.

Jesus: She wished to thank you for

all you are doing on My behalf, little one. That is the way of My Mother. She is working continuously to bring Her children to Me, and present them in such a way that I will take pity on them. She wishes all God's children to be saved. God's children are Her children. She feels responsible for each soul, since She is the Mother of all. Therefore, She is especially touched by those of you willing to witness and pray with others. Anything you do to draw God's children closer to Me, is especially touching to My Mother. She calls out for help over and over. Not many are listening. Those who do, and truly take what She is saying to heart, are pleasing to Her and to Me.

Ruth Ann: I thank You both for assisting me last evening. I know I had nothing to do with it, so I thank You for all that You and Your Mother did last evening.

Jesus: Much can be done when those who are witnessing for Me are being humble, obedient, and giving of self. Blessings are yours, child, for being of the heart and mind of your Jesus.

You have a busy day ahead of you. Know what you do is greatly appreciated and pleasing to Me. Go in My peace. Trust with all your heart in the greatness and goodness of your God.

Ruth Ann: Yes Lord, I will, and I also thank You for these beautiful words.

Jesus: These are words to be shared, child, so all will be aware of how much everything you do for the greater honor and glory of God is truly pleasing in His sight. It will encourage others to work harder at prayer and acceptance of their plight in life. It will also help them to realize if they

ask for the help of Me or My Mother for anything, We will be there for them, just as We are there for you. My Mother has many graces available to all Her children. Her children need only ask for these graces. Remember, ask and you shall receive.

Ruth Ann: Thank You for the reminder, Lord.

Message of Nov. 6, 1994, from Our Lord Jesus

Ruth Ann: Lord, I feel You wish to speak to me. It's rather early, but there must be a reason.

Jesus: Right now it is quiet, and you are ready for prayer, are you not?

Ruth Ann: Yes Lord, I am.

Jesus: Then what better time to spend with Me. You will not be hurried. Later you will have other obligations.

You are concerned about an article that is coming out in your local paper. You have tried to ignore this and say it is no big deal, but I know you, and I know your concerns about the impact this will have upon your children and their families. Have I not told you, you and your family will be given the strength to deal with what is to come? The article will enlighten many who are not aware of your gift, or this prayer group. There will be non-believers, this is always true, but those who believe will be drawn here by God to pray. Those who are searching for a quiet place to regain their peace, those who are in need of a true conversion, those who are in need of special graces, all those who are called here through the article, will be grateful for it having been in print.

You have dealt with non-believers

before, and you will continue to do so. Your children will deal with those who approach them. Those who are of Me will be truly interested and wish to find out more, so they, too, can join in prayer. Those who are of the world will be curious, but not so curious as to join in prayer. It would mean accepting the words spoken to you as truth. If those words spoken to you are indeed truth, then they would need to change their lives. It is best not to believe, then they can go on about their lives in darkness, concerned only for their physical well-being, and ignoring the state of their soul. Those who My Mother wishes to have touched at this particular time, will be touched through sacrifice and honesty.

Your openness in allowing God to use you, your life, and your farm, is truly an example of living the word of God. That is what all are called to do, and many refuse. You continue to listen and do all God is asking of you. My Mother has said, "It will all be done for you." Again, in this instance, more are being called to participate in the beauty of this special place. The peace that is found here, child, comes from heaven. It is God's peace that is available here.

You do not understand the importance of what you are doing. If you did, the talk would not be such a sacrifice to you. You continue to walk in faith and trust in your Jesus in all you are called to do. So do not be concerned about this article. It will be done well. Those who believe will be touched, and brought here to share in the grace and prayer, that are the focus of this prayer group. There will be the non-believers, but again, that is true in all things. Do not concern yourself with the negative. Be blessed that you will have been willing to accept this cross, so that others may too, know of the peace, and come to join you in prayer. That is your purpose, to help draw My

children away from darkness into the light.

That is why My Mother has been allowed to spend so much time here on the earth with Her children, to call Her children out of the darkness into the light. She has been allowed to speak to special people that have been called to help Her with this mission. The time will come soon when She will no longer be allowed to do these things. Her mission will cease. Just as things have a beginning, so too, things must end. You have been told of these things before, so this is not new.

Be not afraid, child. Listen to the words being spoken to you and continue to share. Your mission is about to change, but in the process, you must be patient and do all that is being asked of you. You are making great sacrifices, but know that through these sacrifices, others will benefit. Through your example, and the example of your family, others too, will grow in faith. So yes, just as a coin has two sides, so too will the article that will appear in your paper bring about the two sides of man's personality. Man has a dark side and a light side. Pray for those who do not believe, and accept those who do believe, and come seeking prayer and peace that they have not found elsewhere in their lives.

Ruth Ann: Yes Lord, I hear what You are saying. You make it sound so easy.

Jesus: Nothing you do for the love of God is easy. Great sacrifices are needed now. You have chosen to follow your Jesus, and in doing so, have also accepted burdens that come with this cross. You will not be alone. Much prayer continues to come your way. Many seek to give you comfort for the cross that you bear. God is hearing from many who wish to

support you in your efforts. Their prayers are being heard, and graces and strength continue to be poured forth upon you through this prayer.

Do not concern yourself with how you are to do these things that are asked of you. You are only to listen and be obedient. God will provide the know-how, through the guidance and graces brought forth to help you carry these burdens. Be at peace, little one, God is watching over all you say and do. Tend to My sheep.

Message of August 26, 1993, from Our Lady

Ruth Ann: Mother Mary, is it really Your voice I am hearing?

Our Lady: Yes, child, it is. It is difficult for you to believe that your Mother in Heaven would speak with you. You continue to question. This is good, child. In doing so, you will not be led down the wrong path. Some do not question, and think every-thing they hear is of God. This is not always the case. You have learned, and continue to learn, to discern what is being said to you. You have experienced messages from the dark side, pretending to be one of light. You have recognized the evil one for what he is and for what he can do. He is a liar and one who disturbs your peace. He causes confusion, despair, and anger. He does not want anyone to be at peace with self, God, or your neighbor. He causes turmoil beyond belief. My children need to be aware of this. Words that come from Heaven can only bring peace and joy, so be at peace as you speak with Me little child, and know that I am of Heaven. You are pleased, are you not, concerning some miracles that were shared with you by a friend, a member of your prayer group?

Ruth Ann: Yes Mother, I am. She received so many blessings here on the farm. I'm just human enough Mother, that I needed to hear what she shared with me.

Our Lady: Child, that is why I sent her to you. I know you must hear about the good things that are happening. These are graces and blessings. These, when shared with others, fortify and strengthen the faith of My children. That is why they are being given, child. Your farm has been blessed by God. It was given to My Son and I to use, by you and your husband. This special place will continue to bring many blessings to those who come in faith to pray. The miracles that happen, the smell of roses, the shower of Heavenly water, rosaries turning gold, the showers of graces, the manifestations in the statues of Me, and many more things that have not been revealed to you, will become a common occurrence.

Child, you have given up much. Your life has changed, and will continue to change, as a result of the great sacrifices you and your family are making on behalf of your God. You are following His will. You are listening and being obedient. That is what God wants of His children. There are many hardships that come with your great sacrifice, but the rewards will far outweigh any sacrifice made for My children here on earth.

Ruth Ann: It is amazing how all the business with the chapel came together, Our Lady, and the Stations of the Cross.

Our Lady: Child, did I not tell you that it will all be done for you?

Ruth Ann: Yes Mother, but I still am amazed at how quickly it is all being done; the building, the stations, and now a Marian weekend is being

planned here at the farm. Even a Mass is going to be celebrated. That will truly be special.

Our Lady: Yes child, that will be a blessing for all those who attend. Many graces, blessings, and miracles will be available on that special day set aside to honor the Mother of God. You may tell all who are planning this, I am very pleased. This is not going unnoticed by Me or My Son. God is very pleased with those who love and acknowledge the Mother of His divine Son. Those who give Her honor, give honor to Him Who created Her.

Child, you feel unworthy and wish to be treated as a 'regular' person. This can never be so around those who are aware of what is happening to you. God knows your heart. He knows you are basically shy and reserved. You do not wish to be in the limelight, but this is one of the things that makes you accepted, child. If you were wanting the attention, then it would not be believable. You genuinely care for each person who suffers. You want each person prayed for, healed or touched by God. You want for God's children, what God wants.

Ruth Ann: Not necessarily. Some, I want to see physically healed as well as spiritually, and this does not always happen.

Our Lady: But when you pray, you always say, "Heal them, Lord, in whatever way they need. You know their needs better than I."

Ruth Ann: That's because I've learned Mother, that God does whatever He chooses to do.

Our Lady: You have learned dear child, that your will is not always the will of God, and that is extremely

important. Your gift of prayer and healing are nothing without God, so you know in your heart, God will have the last word.

Ruth Ann: Yes Mother, I think maybe that's what I have learned. It used to be that I prayed for physical healings for those in need of prayer, and then was disappointed when they did not receive a physical healing. Now, I pray for God's will, and some get physical healings as well as whatever else God feels they need.

Our Lady: Child, in doing this, you are doing the will of God, 'Not my will, but Thine be done.' My Son and I, too, did the will of God, and continue to do so. Be not afraid child, you are doing the will of God. It is not your will, or the will of man, that has brought you to this special time and place in your journey of faith. Only God could have planned all that is going on in your life, your farm, and all the lives that come in contact with both.

These are special times, child, special times with special graces. Lives will continue to be touched through all that will happen here. Your priest was sent into your life. He too, is special. He is blessed by God. He has the graces and wisdom necessary to go forth with all that God will ask him to do. Do not be afraid for him little child, he is very strong in love and faith. He too, wishes to do the will of My Father in Heaven. At times, things become difficult for him, but God is always there to love, guide and protect him. Again I am telling you, do not be afraid. It will all be done for you.

God is blessing you and those who are being of help to you. Nothing and no one will go unnoticed by the God Who created you for this very special mission that He has put before you. Everything will continue to

unfold along the way, as God sees fit. Many miracles will be sent along the way to strengthen you, your faith, and those around you. God has said He will not leave you orphaned. Your entire family in Christ is there to give you strength through prayer. God is tending to all your needs.

Now, I know you have much to do to prepare for the guests who will be coming this evening. Know the hand of God is on all you do. Know too, that I am here to help and guide you along the way. I love you, little child. Continue to do the will of God. The graces will be there as you need them. Go in the peace of My Son, Jesus Christ.

Message of July 14, 1994, from Our Lord Jesus

Jesus: My Mother has said to you, "It will all be done for you." I can deny Her nothing. She is My Mother, and has given Her life and Her Son's life to God for His use. "Thy will be done," She has said, and God's will has, and will continue to be done.

Ruth Ann: Again, Lord, I wish to thank You for all You have done to give us the support that is needed to keep us going.

Jesus: Little one, this place was not chosen by you or anyone else on the earth, to be a haven of peace and prayer. This was the desire of My Mother, so therefore, it too, is My desire. You are merely human, and could not possibly do all that is needed to make this grow as My Mother wishes. This place is holy ground. It is a place to come for special graces and blessings. You could not in your wildest dreams have made it become what it has become. Only through the grace of God has this been allowed. Know that as this grows through word

of mouth, and that is called "evangelizing", little one, so too, will the support that is needed in order for you not be overwhelmed. You need only be a willing instrument, ready to do the will of God.

Ruth Ann: So long as You provide the graces and all else that is needed, we'll continue to do all we can to be of help to You.

Jesus: Little one, you say this with such determination, and yet I know how much you are giving up of your earthly life, to become more and more at My disposal.

Message of Nov. 13, 1994, from Our Lord Jesus

Ruth Ann: Lord, thank You for some truly dear friends that have been brought into our lives through You and Your Mother. There are times I feel so alone with what I am doing, and yet when Saturday rolls around, and the same familiar faces are here, it brings such comfort. Thank You for blessing us with their presence.

Jesus: You only see the surface, little one. There are those who cannot come, who love and support you through prayer. Your name, the name of your husband and your family, are constantly brought to Me. Did I not tell you I would provide for you and your family? The Lord does not take away without giving back a hundredfold. Your life has been changed, or turned upside down and inside out, as you call it. But I will always provide a new life for those who love Me. Those who pray for, and assist you in any way, are given blessings. They are given blessings for you, and for themselves, for their concern for you and your family. Hot coals will be heaped upon those who wish to harm you, or destroy what you

are doing for Me and My Mother.

Ruth Ann: Hot coals? Lord, that sounds terribly strong.

Jesus: Little one, there is a battle being waged. You do not realize the extent of this battle. Many would like to see the farm and you, put out of commission. Those are not friends of yours, nor are they friends of Mine. They are friends of the evil one. I have said, you cannot have two Gods. Those who do not choose to follow Me, have chosen other gods to follow. For some, it is money, for others it is power, lust of the flesh, or pre-occupation for acquiring material things.

Ruth Ann: So what is Your point, Lord?

Jesus: My point is this, God has a plan. He is using this place, and you, for a special purpose. The land is holy ground. My Mother is here to dispense graces and blessings for all those who come here in faith to pray. Many seek peace in a world where there is no peace. This peace has been provided for those who are in need of a special place to regain the peace lost in their world. Because you have been quiet and have listened, you have been asked to share the many blessings heaped upon you be One Who rewards those who listen and try to do His will.

Of course I am pleased with what you are doing. I am pleased that you listen, and share those things I would have you share. It would only follow that I would be pleased with those who assist you in any way, and displeased with those wanting to harm you in any way.

My Mother is waiting with outstretched arms, ready to greet those who come here to pray. She is calling many here to pray, to receive the

special graces provided here for those of Her children who choose to come.

Ruth Ann: What about those who cannot come, Lord?

Jesus: They too, in their prayers for you, your family, and this place, are connected. God knows their hearts. They too, are being blessed.

You have been told there will be a great harvesting of souls on this land. Believe this, child. You do not understand the meaning of this, but it is to be so. My Mother has told you many times, you will be a beacon of light, and provide peace and love for your family, prayer group, and it will grow bigger. You have been told you are to participate in the salvation of mankind. Many souls will be saved through your simple 'yes'. Be patient and watch God's plan unfold. Be obedient, and do all God continues to ask of you. All things will be provided in God's way, and in His time. Be at peace with all you are doing. God is watching over you, and He is pleased. Go in His peace, to love and serve Him. Follow in the footsteps of your Jesus.

*Message of July 18, 1993,
from Our Lady to Prayer Groups*

My Dear Children,

I wish to thank you for gathering in this special place of peace and prayer. Know that I am blessing each one of you here. As I walk among you, hold in your hearts all those desires you have for your family, friends, and for the whole world. There is strength in numbers, dear children. "When two or more are gathered in My name, I will answer your prayers." God has made this promise to you. Expect miracles. Expect your prayers to be answered. Allow Me, your Mother, to

intercede on your behalf.

Again, dear children, I am blessing you and all those things you have brought with you. I thank you for responding to My call. You have been brought here by special invitation. I have called you here. Special graces and blessings are being poured out on all those who have come here in faith to pray. I am being allowed to manifest Myself in many ways to many people. These are special times, children. Thank God for allowing Me to come to these special places and people, to strengthen you, My army, to fight against all the evil one is doing. He wishes to destroy. I wish to build and strengthen you. I wish to bring you closer and closer to My Son.

As you pray the Sorrowful Mysteries dear children, contem-plate on all He has done for you. This will give you the strength and courage to go forth and witness. You are loved deeply. I am praying with you and will remain with you throughout your prayers. Love and pray for one another. (Tearfully) Tell them to love My Son.

Activities at the Retreat Center in June:

On the first Sunday of June, a Eucharistic Procession was held on the Retreat Center grounds, to mark the Feast of Corpus Christi, which is the Feast Day dedicated to the most Holy Eucharist. The Holy Eucharist was carried in procession in a monstrance, with stops at different outdoor altars (including the new permanent outdoor altar installed overlooking the cemetery) for Benediction and prayers.

Over the weekend of June 18-20 a retreat took place which was led by Fr. Ignatius Manfredonia of the Franciscan Friars of the Immaculate, and focused on the topic of “The Virtues of Our Lady.” On Saturday, June 26th, we welcomed a group of staff members of Rachel’s Vineyard (a group dedicated to helping post-abortive women with healing and reconciliation) for a day of reflection at the Retreat Center. As usual, we also welcomed several individuals who came throughout the month for private time spent in prayer and reflection.

Mary’s Children,
