*Message of Nov. 14, 1993, from  
Our Lord Jesus*

**Ruth Ann:** Lord.

**Jesus:** Yes, little one.

**Ruth Ann:** Lord, I am feeling guilty. I feel I am not writing as much as I should, the messages that You are giving me. I am feeling that I should spend more time in dialogue with You.

**Jesus:** That will be your choice, little one. I will encourage, but I will not demand that you write every day.

**Ruth Ann:** You know now that I will try, even if it is only for a few minutes, Lord. How did my life get so full? I don't see how I managed to teach, give talks, attend Mass daily, and all the other things, and have time to write what You were telling me.

**Jesus:** You found the time because you realized how important it was to share what I am saying with you. You attended Mass and prayed because these are all things you have been told to do. The Sacraments strengthen, and so does prayer, not only the one who prays, but the one being prayed for. Reading My words in the Sacred Scripture, the New Testament, is extremely important, so that you can grow. You must learn to attend retreats when it is possible, because that is also a source of growth. You need strengthening, little one, for what lies ahead. You have many praying for you, and this is of importance. Many realize in their

***Mother of the Redeemer Farm***

hearts that much more is in store for you, that your cross is not an ordinary one. Your priest, too, is aware of this, as are many of the members of your prayer group.

**Ruth Ann:** I am blessed, Lord, to have so many who are concerned about my welfare. I have friends that truly care about me.

**Jesus:** Child, that is because they see more than you see. They look at you and say, "I would like to have her gift, but I would not like to give up my life for others." The two are one. They cannot be separated. So too, are the trials and tribulations that go with all you are doing. The pressure is great, but it will continue to grow, little one. That is the reason for your respite.

Enjoy the time you have. The time will come when you will have time for little else except what I would have you do.

**Ruth Ann:** Lord, I will surely have time for my grandchildren. You won't take everything away from me, will you? I love my family. They are all a part of me.

**Jesus:** I will not, and do not, expect to take you from your family. I know how much they mean to you, and that is as it should be. I am only telling you that what I will have you do for Me will require more and more of your time. It will be more and more difficult to find time for your family. You will have to carve out time for them, just as you are doing for Me and prayer at this time in your life.

**Ruth Ann:** Lord, many are asking me where I was moving to, because they had read in a message that this place will become a retreat house, manned by retired priests.

**Jesus:** My Mother has spoken of this to you, and this is to be so. All of this will come to pass.

**Ruth Ann:** Other people are saying, "How can this be, since Jesus tells you the end is near?"

**Jesus:** I have not said the end is near. You have been told that time is running out and that I will be coming soon. These things are true. I have also said I will come to you and ask you to carry My cross, and that too, will be soon. Be not afraid, little one. You will be told all you need to know when the time is right.

---

You will need to move from where you live for more than one reason. Not only because you will not have peace, but the house will be used by those who wish to find peace. The two sound contra-dictory, but they are not. You will need quiet and solitude in order to pray, and it will not be available to you in your present location. That does not mean you will be moving far away. You will remain there when you are needed.

You are a beacon of light for My children, and you will continue to be so. As you grow, your light will grow, many will be strengthened by what is happening to you. Many will be strengthened because they see your faith and trust in God. They see you continue on your journey of faith, not knowing what tomorrow will bring, and that gives them the faith and strength to carry on in their daily lives. Your faith strengthens the faith of those around you. That is why it is so important to share what is going on in your life, with others, the good as well as the bad.

Many think that because you hear the words of your Jesus, and My Mother, that you do not have to contend with the bad. That is not so. The stronger your faith, the more you continue to be tested. The evil one wishes to bend and break those who are helping win souls to Jesus Christ. So it would make sense that he would come against you in a mighty way. Doubts, fears, and confusion in your life, such as you have experienced in the past few weeks, are all part of his ways. You continue to listen to Me, pray, and be obedient to the will of God, even though you have been living in the middle of construction and mess for several months. You get irritated from time to time, because you are one who wishes things to be neat and tidy, but you offer it up and say, "Truly this

must be God's will for me," and you continue on.

**Ruth Ann:** You are being too kind, Lord. Jim hears my complaints.

**Jesus:** He hears your complaints, but it has not stopped you praying or working for Me, has it? That is what I am saying, you and your husband continue on.

**Ruth Ann:** Yes, we do, sometimes it even amazes me, Lord. I'm really only joking.

**Jesus:** (Smilingly) I know that, little one. I know your heart, remember? I know what you do, and how much you can take, and how much you love Me. I am at an advantage. You would die for Me.

**Ruth Ann:** Lord, I don't think that is unusual. I think most Christians would die for You. That's what it means to be a Christian. Besides, if you die for Jesus, I have been told by the good nuns, that you are a martyr, and if I'm not mistaken, martyrs for the Lord go to Heaven. So it's purely selfish on the part of those of us who would do that. We all want to go to Heaven.

**Jesus:** You are very naive, little one. Not all of My children would die for Me, and not all care whether or not they go to Heaven. Some don't even believe in Me or Heaven.

**Ruth Ann:** But Christians do, Lord. They believe in You and Heaven.

**Jesus:** But not all would be willing to die for Me. That is where you are wrong.

**Ruth Ann:** I'm sorry, Lord. I guess I am naive, as You say.

**Jesus:** You have much to learn, but

that is what I am here for. Now go about your day. Know how much I love you, little one. My peace is with you.

*Message of March 23, 1994, from Our Lady*

**Ruth Ann:** Mother, do You wish to speak with me?

**Our Lady:** Little child, yes. There is much to be said.

**Ruth Ann:** I am listening, Mother.

**Our Lady:** Child, you have had a difficult time praying because of interference from the evil one. Thank you for not becoming so discouraged that you would walk away. Continue to seek peace, child, it is most important.

**Ruth Ann:** I had a really difficult time yesterday, Mother, but I have remembered that that is always the case after a third Sunday weekend. It seems that we are always attacked with a vengeance.

**Our Lady:** Child, it has taken much time for you, and much heartache, to get you where you are today. Many do not realize this about your gift. They do not realize that with this gift, you have had to give up your entire way of life as it existed before. All things you do now are for the greater honor and glory of God. You, your family, and all you have done before has had to take a back seat. Some has been discarded altogether in order to make room for God and all His children. There is a great price to pay for such a gift as yours, but the rewards in the hereafter will be even greater for having paid this price.

You have returned from the Holy Land with a new resolve to do all God asked

of you. You are determined to do His will. Doubts and fears have been removed from you in order that you go forth and share His word. This does not mean it will be easy for you. It will continue to be difficult for the evil one will continue to attack you in many ways. But child, remember, good will triumph over evil. Those who are My helpers, God's chosen ones, will be instrumental in sharing in this triumph of My Immaculate Heart. Those who have chosen to say 'yes' to the will of God, and respond to this call to pray, and draw others to prayer, are to play a tremendous part in the drawing of others back to My Son. This will bring with it grief from those who are of the evil one, but it will also bring with it much joy from your God. It will bring with it a peace that can only come from God.

Some go through their entire life living for themselves, not knowing the will of God, and not doing His will. You child, know what His will is, and now you have been given the graces to go forth with a greater resolve than ever before. Before you did these things because of obedience. Now, there is a desire to follow His will. Not just out of obedience, but a desire to please your God, no matter what the cost. This will be noticed by those around you, because this desire will also be experienced from those who come into your life. They too, will have a new resolve.

These are graces child. As you receive these graces, they will reach out and touch the hearts of others. As a tiny flame can start a huge forest fire, so can the tiny flame of desire, begin a huge flame that will grow in great proportion in those who share in your ministry in any way. Be aware of the importance of what you are doing for God, child. You are His chosen instrument here on earth, whose lives you touch in any way will be

rejuvenated with a new desire to please God.

**Ruth Ann:** Thank You, Mother, for these words.

**Our Lady:** Be at peace with all I have said to you this day, little child. This is truly of your Mother, the Mother of Jesus, and I continue to do the will of God, as are all of you who are being called to participate in this great army that will slay the evil one with this great tool of prayer, My rosary.

**Ruth Ann:** Thank You, Mother, for not giving up on me.

**Our Lady:** This is all part of growing, child. One must always walk before one can run. You now have a desire to run, do you not?

**Ruth Ann:** Yes, Mother.

**Our Lady:** Go in the peace of My Son. I love you and surround you with My protective mantle.

**Ruth Ann:** Thank You, Mother. Please care for my family.

**Our Lady:** This I continue to do child.

***Message of January 31, 1994, from Our Lord Jesus***

**Ruth Ann:** Is there anything else You wish to speak with me about today, Lord?

**Jesus:** Yes. Too many of you are getting caught up in the negative aspect of My Second Coming. Yes, it is true that I am to come, and you are to prepare, but so many are becoming afraid. Children, you must focus on the positive. First of all, any one of you could die tomorrow. Should you not live each day as if it is your

last? You know neither the day nor the hour of My Second Coming, so does it not make sense that you would prepare your minds, hearts, and souls as if it were to be tomorrow? Then, children, there would be no reason for fear. Fear is not of Me. Neither are distractions or confusion. Anger is not of Me. I am peace. Little one, once you see your peace being disturbed in any way, you can be sure that the evil one is becoming involved. Bind and rebuke him in the name of Jesus. Do not allow him to get a foothold.

You have remarked that the messages given to you by My Mother have become very strong or powerful. She has tried to get the attention of My children with messages not quite so powerful, and then there are those who seem to think things are not as they appear, and then do not take to heart what is being said. Now that the messages seem to have an urgency about them, there are those who wish to panic. That is not the reason for the messages, little one. The reason for the messages is to call all of God's children to prayer and conversion. If you will listen and live the messages that are God's word, there should be no fear or lack of peace.

God is pleased with those gathering for prayer, as is My Mother. He is pleased you are continuing to share the words being spoken to you, and the blessings given to you. Little one, as you continue to listen and do all God is asking you to do, graces and blessings will be yours in abundance. They will be available also for those whose lives you touch.

Now, child, your peace should be restored, is it not?

**Ruth Ann:** Yes Lord, it is. It was just for a little while that my peace was disturbed.

**Jesus:** That will not change, little

one, you will continue to be attacked. That is part of your cross. The evil one will continue to attack those who try to do the will of God. You must continue to be aware of this and not let it get to you. Pray, little one, and come to Me. Do not allow your peace to be disturbed. Focus on your Jesus, the prince of peace. That should always be your focus. Do not focus on darkness. Focus on light, love, and peace of your Lord and Savior, Jesus Christ. Now, My love and peace I give to you this day, and I ask that you pass it along to all who will read this message.

**Ruth Ann:** It is done, Lord.

*Message of Nov. 29, 1993, from Our Lady*

**Ruth Ann:** Mother Mary, it's been quite a while since I've recorded what You have spoken to me. I really would like to speak with You.

**Our Lady:** Child, I am here.

**Ruth Ann:** So much has been going on. The interview I was concerned about has taken place, and the article was in the paper yesterday.

**Our Lady:** Did I not tell you all would be done well, for the greater honor and glory of God?

**Ruth Ann:** Yes, You did, but when I first read the article, I looked for negative things in it, though when I realized I was looking only at the negative and not the positive, I felt better.

**Our Lady:** Child, it is time for it to reach the media, and I have chosen the one who was to write the article so it would be done with com-passion for those involved. Now, those who are

interested in a place to pray when others gather, will be touched and called to this place of peace. You really need not be concerned, child. You have been told that God has His hand upon you and all those involved. He will try to make all that you do, go as easily as possible. It does not mean, however, that the evil one will not come up against you constantly, but you have many prayer warriors sending up your name, and the intentions of you and your family. God is being bombarded with your name, and those who are concerned for you, and all you are trying to do on His behalf. These prayers do not go unnoticed, child.

**Ruth Ann:** Thank You for reassurance, Mother.

**Our Lady:** It will all be done for you. Remember these words? Let them be imprinted upon your heart. God has great plans for you. You cannot see this, because you cannot believe you are worthy of these plans. Child, you have said 'yes', you are listening, you are obedient, and share all God has said to you. This is all that is required for you at the present time. Satan continues to come up against you and your family in all ways, but your faith is strong, child, and beautiful to behold. You continue to tell your family, "We just have to give it to God and let Him handle it. He does a better job that we can ever do." That is called surrendering to the will of the Father.

**Ruth Ann:** Isn't that what we're all called to do?

**Our Lady:** Yes, child, that is what we are all called to do, but when times are difficult, and you see no way out, most become frustrated and angry with God, and begin feeling sorry for themselves and those around them experiencing the difficulty.

**Ruth Ann:** I've done my share of that, Mother. I'm certainly a far cry from being the patient person You would make me out to be. I've had my share of 'temper tantrums'.

**Our Lady:** You have come so far, little one of God, and you don't even realize it. What time of the morning is it?

**Ruth Ann:** 3:15 AM.

**Our Lady:** And why are you not sleeping, like most of My children?

**Ruth Ann:** Because I was awakened, and wanted to speak with You before I start My day, without any interruptions.

**Our Lady:** Does that not tell you something, child?

**Ruth Ann:** Only what I have just said to You, Mother.

**Our Lady:** This is a quiet, special time I am spending here with you, when you could be sleeping.

**Ruth Ann:** I have been feeling called to do this for quite some time, Mother. It's just that I have difficulty getting up in the morning, and always have had, well, at least since the children have been grown. It was much easier to get up at all hours when I had little ones depending on me.

**Our Lady:** My little ones are depending on Me, child. That is why I am here. I have given up My peaceful time with God to go forth and minister to His children. I am going forth to call all My children back to God. It is through you, and many others such as you, that more and more are being called away from darkness and into the light. Many are just beginning to recognize the importance of My role in the salvation of mankind. I was a

willing instrument through which God sent His only Son to the earth in the beginning, and now He's sending Me out to prepare His children for His Son's Second Coming. Those who are listening and sharing what He is saying through the Mother of His Only-Begotten Son, are gaining many graces. The graces are for what is to come before the arrival of My Son, and your Redeemer, Jesus Christ.

Do not place so little importance on your role, child. You are being obedient, and you are listening. Many blessings and graces will come through you and this place of prayer blessed by God. Make no mistake about it. There are so few 'willing workers', instruments that are willing to totally die of self, so that others may live. You and your family are sacrificing much, but you continue on each day, not knowing what is to come but already saying, "Whatever, Lord."

**Ruth Ann:** I want to go to Heaven, Mother. How can I turn my back on God and say, "Sorry, You'll have to get someone else who loves You more than I do to do this?" That would be pretty selfish on my part.

**Our Lady:** You cannot imagine how many of God's children have done just that, turned their backs on Him Who gave them life, and said, "Not me, Lord. You'll have to get someone else to do Your work." Their faith is not there when it is needed most.

**Ruth Ann:** Let's talk of something else. I really don't want You to speak about me. You are giving me more than I deserve. There are so many who are helping me, people You and God have sent into my life, Mary's Children, all the helping hands along the way, being provided by You and God. These are the ones making all this possible. I could never do this alone. My family, children, and their

spouses, and future spouses, have all been wonderful. I know the graces have come from God for them to be able to handle all that is happening. Their lives, too, are being affected by all this.

**Our Lady:** Child, it will continue to be so.

**Ruth Ann:** I am aware of that, Mother, but I also know we'll make it through whatever comes. I believe and trust in God. He would not send me more than I can handle. I feel the same is true for my family, so I am confident that whatever comes next, the graces will be there.

**Our Lady:** He has promised this to you. It has been promised to all of His children who try to do His will, no matter what. Your faith and trust in God strengthens that faith and trust in others. See how God works?

**Ruth Ann:** Yes, Mother.

**Our Lady:** Now you must get some rest before the beginning of another busy day. Go in the peace of My Son, Jesus.

**Ruth Ann:** Yes, Mother. I love You.

*Message of Aug. 22, 1994,  
from Our Lord Jesus*

**Ruth Ann:** Lord, You obviously have something to say to me.

**Jesus:** Only if you wish to listen, little one.

**Ruth Ann:** Lord, I am listening.

**Jesus:** You are concerned about many things, child, and you need not be concerned about anything. God is watching over you and will tend to all your needs, as well as those who come

to you seeking prayer and peace.

**Ruth Ann:** Lord, I give up. I don't understand any of this, but Thy will be done. All of this is difficult for me, but I will do whatever you wish, no matter how humiliating it is for me.

Lord, the messages are reaching more and more people, I am told. And more and more people are coming to the farm.

**Jesus:** My Mother knows whom She desires to be here, and who is ready to receive the graces and conversions available through this ministry, little one. That is why She has chosen this method, word of mouth, to see this ministry grow. She did not wish to overwhelm you, so She did not choose to have people to come in mass as curiosity seekers. She wishes only those be present here who are genuinely interested in helping Her achieve all God would have Her do. She is here, present on this farm, anytime there are people here to pray.

This is a special place, blessed by God, to receive graces from My Mother. Graces that will be instrumental in the days ahead. There will come a time, when it will be difficult for some of My children to find a place where they will be able to pray the Rosary, for example. Much is being taken away from those of My children who choose to follow the true teachings of their church. Much has been removed, using the excuse that Vatican II has removed it, or called for its removal. The evil one has been subtle, but He is undermining the faith of My people.

Please, little one, make people aware, who are listening, that it is important to stand firm in their faith. Follow the New Testament. My words are there to help you. They are your salvation. My Mother has been speaking them over

and over, in different ways to different people, in order to reawaken those who have been dead in their faith. She continues to look for, and find, those of Her children who are ready to listen and share. She is in need of much help. That is what this place, and others like it, are all about. She is calling all of Her children to pray the Rosary for peace.

It need not matter what faith or religion you are, She needs the help of all of Her children. The evil one continues to murder, maim, and influence the lives of those who have turned their back on God. Even those who think they are good Christians, just because they attend church one day a week, are in need of conversion. They have not given themselves that which is necessary for salvation. They still have many gods other than the one true God. Money, greed, lust for power, and self, rules their lives.

Where has the love of God and neighbor gone? The true Christian values, by which all of My children should be living their lives, have gone by the wayside. God is not willing to stand by any longer and watch this nation continue to turn its back on Him. He is angry and disgusted with His children. My Mother has been sent here to warn, plead, and encourage Her children to pray. Those who have, and are listening, will find solace in this. Those who wish to ignore Her call to peace and prayer will continue to find life more and more difficult.

Those of you who are listening, continue to pray and stay focused on your Jesus and His Cross. Much is to come which will be very difficult. But as long as you have the faith and trust in God that you have nurtured over the years, that My Mother has been speaking to you, you will be able to

keep the peace that will be so badly needed in the days ahead. Pray for peace, and all of My children who do not have a clue as to what is going on around them. It is easier for My children to turn a deaf ear and walk away, than it is to listen and make a needed change in their life.

Pray for all of My children who will be lost if they do not have a conversion of the heart, mind, and soul. Be attentive, and share My words, little one. God is with you. My Mother is with you. Strength will continue to be poured out upon you to sustain you through these troubled times. Minister to My people, child. It is imperative that you do so. Go in My peace.

**Ruth Ann:** Yes Lord, but why am I receiving such strong messages lately?

**Jesus:** Little one, this is nothing new. My Mother spoke of these times that were to come in the messages given to you a few years ago. Now the time has come for those things to happen of which you were warned. She had told you they were messages for the world. Many read them and ignore them. Those who did read them and listened, have been waiting for the fruits of your work, in order to take these messages seriously. The problem is, there is no more time. The waiting is over, and precious time, that could have been spent in prayer and spreading those messages, has been wasted. Time is no longer running out. It has run out, and still many of My children are unaware.

That is through no fault of yours, little one. You have done all you were asked to do. Pray, little one, for God's mercy on all those who choose not to listen and be converted.

**Ruth Ann:** Yes Lord, I will do so.

*Message of Dec. 22, 1993,  
from Our Lady to Prayer Groups*

My Dear Children,

I am your Mother sent here to guide you back to the right path. Focus on My Son Who is light, love, and peace. Then you, too, will have the peace you desire. Take My messages to your heart so you will bring about a true conversion. Once you have gained a true conversion, then you will be able to help those around you. Understand what I am saying to you. I would not be here, if what I am saying to you was not most urgent. Change your lives, dear children, pray from the heart. Ask the Holy Spirit to enlighten you to the seriousness of what I am telling you. My messages are no longer accomplishing what I had hoped. Man listens with a dull heart and mind, and continues to live his life without changing his ways. Time is running out dear children. There will come a time when you will no longer have Me to guide you. Thank God for allowing Me to move freely among My children, to touch the minds and hearts of all those who listen and are turning back to My Son. Thank you for listening and for taking My words to your heart. My love I give to you and your dear ones. Go in the peace of My Son, Jesus.

**Activities at the Retreat Center in February:**

On Saturday, February 3<sup>rd</sup>, the month began with our normal First Saturday Devotions. The following weekend, February 9<sup>th</sup>-11<sup>th</sup>, we welcomed a women's group from the Diocese of Evansville who came for a retreat led by Fr. Adrian Burke, OSB. The retreat was attended by 42 women, and was titled "Oremus: Let Us Pray." Then on February 16<sup>th</sup>-18<sup>th</sup>, Fr. Matthias Sasko, one of the Franciscan Friars of the Immaculate stationed here at the Retreat Center, led a weekend retreat on the topic of mental prayer. Despite a snowstorm on Friday, several people still braved the weather to attend. On Tuesday, February 20<sup>th</sup>, a group of staff members from St. Paul's parish in Bloomington came for their staff meeting and reflection time. The following Saturday, February 24<sup>th</sup>, Fr. Rick Nagel, pastor of St. John the Evangelist parish in Indianapolis, came and led a one-day Lenten Retreat for a group of 40 young adults. As always, we also had several individuals come and stay at the Retreat Center throughout the month for a private retreat, spiritual direction from one of the Friars, or just to walk the grounds, visit the bookstore, or pick up bottles of the Farm Water to pray for healing.
